## HARD HITTING

Characterized the Work of the Stogles Last Week, but too Many Games Were Lost-Lyons now Leads the Club in Batting and Myers in Field

The Intelligencer presents this morn ing the batting and fielding averages of the Stogies up to date, including Saturday's games at New Castle. "Denny Lyons is hitting at a merry clip and it will be noticed he has passed "Bill" Taylor and now leads the team in hitting, with the very creditable average of .324. For a long time Taylor was the only Stogie who was able to hit above ,200, but now there are three above that mark, Lyons, Taylor and Dobbs. The team, as a whole, also improved its batting, while opposing teams harely held their own. The figures: BATTING.
